Insurance & rebate notes

Class 4 hail discount (CO)

Colorado homeowner's insurance carriers offer a 10–30% premium discount for UL 2218 Class 4 impact-resistant shingles. With the Front Range's hail frequency, insurers actively reward upgrading — and sometimes require it. *(On a typical \$2,800/yr premium, a 20% discount saves about \$560/yr. The Class 4 upgrade typically pays itself back in 4–7 years.)*

Next step: Bring the Class 4 manufacturer certification to your insurance agent for the file. Ask about non-renewal protection — most Class 4 policies include it.
