Class 4 wind/hail discount (TX)

Texas mandates that home insurance carriers file a discount for UL 2218 Class 4 impact-resistant shingles. Most carriers in TX (including State Farm, Allstate, Farmers, USAA) discount the wind/hail portion of your premium between 15% and 30% — most landing at 20–25%. (On a typical \$3,500/yr premium where roughly 60% is wind/hail coverage, a 25% discount saves about \$525/yr. That recovers the upgrade-from-architectural cost in ~5 years and continues to save you money every year after.)

Next step: Call your insurance agent before we schedule the job. Ask for the exact discount percentage and whether they need a shingle-wrapper photo or just the manufacturer's Class 4 certification for the file.
